Social Initiative

SimbaQuartz no longer have an NGO, our social service work has been ongoing since August 2020. Our experience at the NGO has been great too, but now the CEO of SimbaQuartz, Mandeep Kaur Sidhu is able to do the business even better. Together with her business team of about 50 members, it was decided to close the NGO, Smiles Care and carry out its mission at its own expense. In such a decision she sees the respect and esteem of the thousands of women who are committed to setting up a successful business. Her decision was welcomed by every woman who sees herself in Mandeep Kaur Sidhu. The work of all women is an appropriate answer to the sick minded people who question the good deeds done by the organizations. Our team will always support the best performing organizations in every way.
