Social Initiatives

***“ Changing Lives
We Rise By Lifting Others ”***

The fulfilling feeling of giving back and contributing to society is unparalleled. No one has ever become poor by sharing. It involves a certain amount of giving. It's not how much we give but how much love we put into giving. As we grow older, we discover that we have two hands – one for helping ourselves and the other for helping others.” We all come to the world with the joy of having things, but when we leave this world, we should have experienced the joy of contributing and giving back to the society. That is a mature joy, the real joy. There's nothing more rewarding than giving back and making a difference in the lives of the people in this great community.

“ Giving is not just about making a donation. It is about making a difference.”

Shoe Giving Campaign - Amritsar

In the month of March, we conducted our 397 Shoe Giving Campaign at Govt Elementary School, Village Bhinder, Amritsar. There we distributed 46 pairs of shoes to the needy students including helping staff under the #50000ShoeToGive mission. We also interacted with the students and staff members of the school and they happily pen down their testimonials about how they felt about the campaign and the comfort of shoes. Till February, we have donated about 18953 shoes out of 50000 Shoe To Give mission.
