Social Initiative

***“ Changing Lives
We Rise By Lifting Others “***

The fulfilling feeling of giving back and contributing to society is unparalleled. No one has ever become poor by sharing. It involves a certain amount of giving. It's not how much we give but how much love we put into giving. As we grow older, we discover that we have two hands – one for helping ourselves and the other for helping others.” We all come to the world with the joy of having things, but when we leave this world, we should have experienced the joy of contributing and giving back to the society. That is a mature joy, the real joy. There's nothing more rewarding than giving back and making a difference in the lives of the people in this great community.

“ Giving is not just about making a donation. It is about making a difference.”

Shoe Giving Campaign

The children of brick kiln employees in the village of Tangra, District of Amritsar, received slippers from CSR volunteers. This was the 400th shoe donation drive for the organization, which was supported by SimbaQuartz as part of their CSR program. SQ is attempting to raise awareness about shoe donation and foot care. These campaigns are independently funded.

Food Sharing Campaign

Here are the highlights of the 83rd Food Sharing Campaign on June 17, 2022, in the Beas Slum region of Amritsar. SimbaQuartz provided funding for the initiative as part of its commitment to CSR. Our campaigns are entirely self-funded. SimbaQuartz has been making a constant effort to bring smiles to the faces of these slum dwellers

FOOD SHARING
CAMPAIGN

Held at
BEAS SLUMS

June 17, 2022

Campaign No. 83

Please Note: We do not have any NGO now. We do not accept any money. Our campaigns are 100% Self Funded, We are trying to spread awareness on food sharing.

Children's Computer Class

On June 10, as part of the program "School on Wheels," the SimbaQuartz crew visited the Beas slums for the third time and offered students to attend an IT class on board the bus. As these children equally deserve a great education, it is our goal and hopes to offer these facilities at our own level to children from economically disadvantaged homes. Numerous intelligent kids who live in slums have the potential to succeed in the IT industry just like everyone else, but their access to resources is restricted. In order to teach the earnest students IT lessons for a better future, the SQ team will frequently visit the slums.

**COMPUTER CLASSES
IN BEAS SLUMS** Campaign No. 3

Children's Computer Class

SimbaQuartz has made a special effort to teach computer skills to the kids who live in the slums where computer sessions are held for pupils using SQ buses. The team offered computer classes to the Beas slum youngsters who attend school.

The goal and aim are to give children from low-income households access to high-quality educational opportunities. SQ hopes that they will become IT engineers when they are adults and assist their families in making ends meet.
